### Update your FlashAlert Subscriptions

Winter weather is approaching. That means it is time to update your FlashAlert subscriptions. FlashAlert is the system that we use to notify you of school closures, delays, and other similar events. The system is routinely pruned of untouched accounts so even if you had previously subscribed, you should verify your subscriptions at <https://www.flashalert.net/login.html>. Please note that this is not "our" system and we can provide limited help.

You should consider getting the free FlashAlert Messenger app from the Apple AppStore or the Google PlayStore.. The announcements will also be displayed on the local TV channels as well. The "feed" from FlashAlert is available from our district website ([www.wlww.k12.or.us](http://www.wlww.k12.or.us)) under the Inclement Weather link. On the morning of October 21, we issued a test alert using the system. If you did not receive that alert, then your subscriptions are probably not current. You can check them at [www.flashalert.net/loing.html](http://www.flashalert.net/loing.html). Thank you!

# Volunteer and Visitor Procedures

Before school and during school hours, all volunteers and visitors **MUST**:

- \* Sign in on the computers in the office
- \* Wear a printed badge or volunteer lanyard

Thank you!!

## PICKING UP STUDENTS FROM SCHOOL

Please send a **"Bus Note/Memo To School"** for your children indicating a change in what they are doing after school. All children being picked up need to be met in the MPR at the end of the school day. A staff member will be on duty to sign out your children. **Please call the office by 1:30 if you have a change of plans for your children at the end of the day.** The last half hour of the day is difficult to get last minute plans to children and teachers. Of course we know there are always last minute changes. We want to make sure every child is following the correct afterschool plan!

For the safety of our students, we ask that no students be removed from school before the proper sign-out procedures have been followed. Children are not allowed to meet parents at their vehicles.

## WILSONVILLE MAT CLUB

October 2016

Dear Parent,

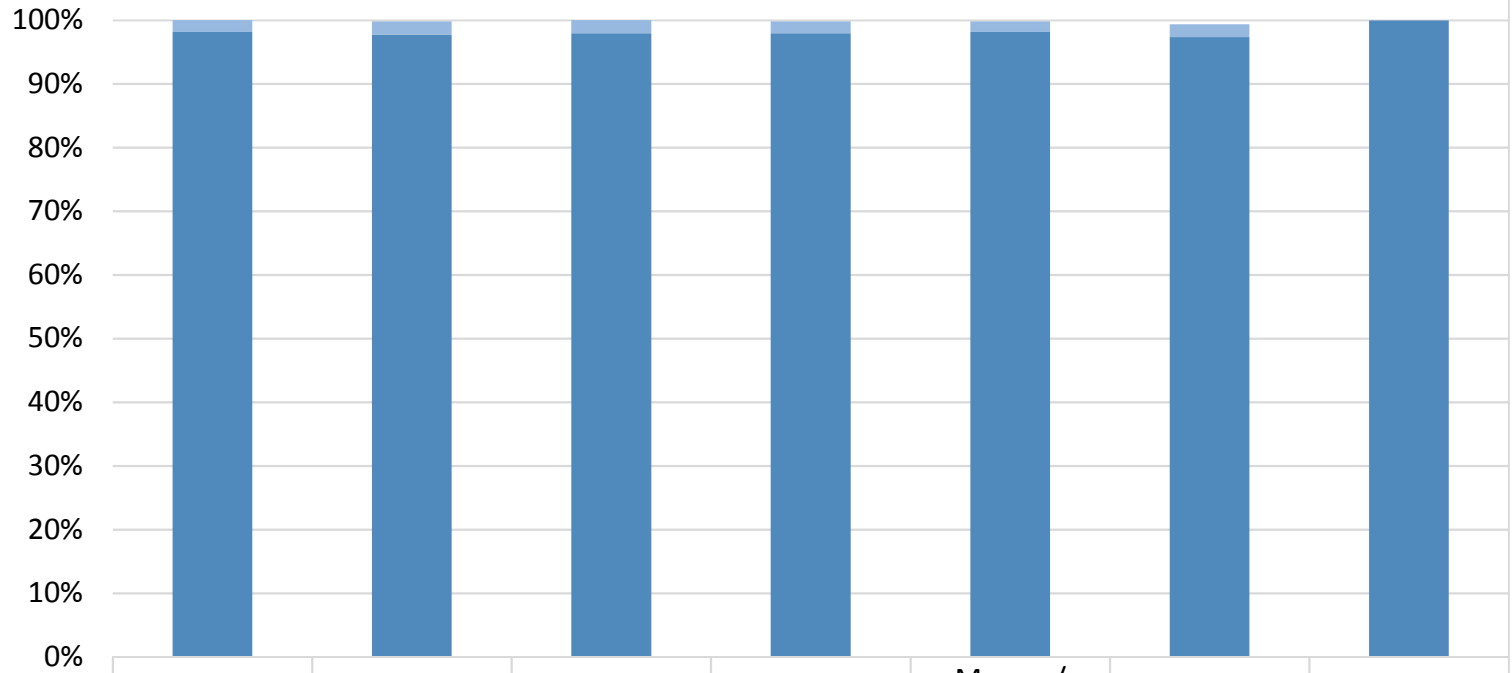

Every year Immunization data is collected by the State of Oregon for each school. We are now required to make this data available to parents.

Attached is a snap shot from spring of 2016 of the number of students that were enrolled at Stafford Primary School, the number of students with Nonmedical Exemptions for one or more required vaccines and what percentage that is of the population.

A complete list of all schools in the state of Oregon can be found at:

<http://public.health.oregon.gov/PreventionWellness/VaccinesImmunization/GettingImmunized/Pages/SchResources.aspx>

### How many kids at STAFFORD PRIMARY are vaccinated?\*

	DTaP/Tdap	Polio	Varicella	Measles	Mumps/Rubella	HepB	HepA†
% Nonmedical Exemptions	2%	2%	2%	2%	2%	2%	2%
% Vaccinated	98%	98%	98%	98%	98%	97%	100%

Number of children at the school\*\*: **488**

Percent of children with no immunization or exemption record: **0%**

Percent of children with a medical exemption for one or more vaccine(s): **0%**

\* Not all immunizations are required for all grades. These numbers may not total 100% if some children have medical exemptions, or are incomplete or in process with immunizations but do not need an exemption because they are on schedule.

\*\*There is/are also **0** child(ren) enrolled for whom immunizations are not required to be reported because their records are tracked by another site or they attend fewer than 5 days per year.

†Blanks indicate this vaccine was not required in the grades at this school, or this vaccine was required for fewer than 10 children.
